*Hello from EB Ville! We took a wrong  
turn off the freeway and found a place  
with friendly attorneys who think they  
are pretty funny. Not sure how long  
we can survive, send help soon!*

*All checked in at the Westward  
Ho. They say it's where the  
stars used to stay, but I'm still  
waiting to be discovered!*

*Howdy from Tombstone! We  
watched a shootout at the O.K.  
Corral and knocked back some  
cold ones with our new friends,  
Wyatt and Doc.*

*Greetings from Meteor Crater!  
It's a magical place where space  
and earth collided to make  
something a little extra terrestrial.*

*We made it to Monument Valley!  
The rock structures are grand and every  
sunset feels like a Western movie. It's  
in the middle of nowhere, so we're  
hoping the car doesn't break down!*

*Greetings from Route 66! We took  
it easy in Winslow and stood on that  
famous corner. After traveling for  
days, it was such a fine sight to see.*
